

Welcome Back Beechwood Knoll!

This year, the Quincy Public Schools will be using a new platform called “Smore” for Family Newsletters.

These will be posted monthly on our website:

beechwoodknoll.quincypublicschools.com

All school-wide fliers for the 2023-2024 School Year will be digital, posted on both Smore and our QPS website. Families will also receive School Messenger blasts from Principal Mrs. Rodriguez by email and text message.

Please continue to check your child’s backpack each night for school work, notices from classroom teachers and any student support documents.
